**LUXURY** Collection

# MuranoStone

Inspired by the Venetian technique of murano glassmaking, the MuranoStone tiles and mosaics are a dazzling kaleidoscope of colours on a natural stone surface. The brilliant enameled surfaced simulates a glass finish, while yet retaining the texture and beauty of the natural stone surface within. The MuranoStone Collection is available in a wide range of striking colours, tile formats and mosaic patterns.

# Tijara Series

The Tijara Series represents a stunning collection of finely crafted embossed patterns on leather tiles, taking inspiration from the traditional design work of medieval artisans and blending it into a modern & chic leather cladding surface. Presented in an innovative combination of leather colors, leather finishes, and artistic motifs, the Tijara Series creates a breathtaking feature for your home or office.

# LeatherStone

The stunning fusion of genuine leather and natural stone creates the unique LeatherStone tiles and wall compositions. Natural stone tiles are clad with exquisitely finished imported leather, through a patented process, to give you a plush and luxurious surface. LeatherStone is fabricated in three outstanding design formats in wall compositions: Planks, Opus and Ledge.
